

Hong Kong Flower Show 2023
Points to note for participants
To prevent coronavirus Disease 2019 (COVID-19)

Participants shall comply with the following requirements and any other requirements as may from time to time be updated and advised by the Organiser, Centre for Health Protection (CHP) and/or the Health Bureau of the Government during the Show Period:

1. All visitors shall comply with the latest vaccination requirements under the Vaccine Pass.
2. All visitors shall wear masks at all times on entry and inside the venue.
3. All visitors shall be subject to body temperature checks before entry. Those with symptoms (e.g. fever, acute respiratory discomfort, sudden loss of taste or smell) will be prohibited from entering the venue. Those who have symptoms but are already inside the venue shall leave immediately and should seek early medical advice.
4. Those inside the venue should maintain social distancing as specified by the LCSD. The number of persons admitted to the venue shall not exceed the prevailing limit on group gatherings as stipulated by the Government for epidemic prevention purposes.
5. There shall be no stalls selling food and drinks inside the venue. No one is allowed to eat or drink inside the venue.
6. To step up anti-epidemic efforts, visitors may consider wearing eye protection equipment such as goggles and face shields, while changing masks in a timely manner when they got soiled. All visitors are also required to observe hand hygiene and refrain from any activities which may generate aerosols, such as shouting, chanting or singing songs.
7. All visitors shall comply with the latest directions of the Government issued by notice published in the Gazette or otherwise under all applicable Ordinances and subsidiary legislation thereunder (including by not limited to the Prevention and Control of Disease Ordinance (Cap. 599) and all subsidiary legislation thereunder including the Prevention and Control of Disease (Requirements and Directions)

(Business and Premises) Regulation (Cap. 599F), the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation (Cap. 599G), the Prevention and Control of Disease (Wearing of Mask) Regulation (Cap. 599I) and the Prevention and Control of Disease (Compulsory Testing for Certain Persons) Regulation (Cap. 599J), as well as any directions given by the LCSD on the prevention and control measures against infectious diseases such as COVID-19 to be implemented at the venue. Those contravening or failing to comply with the above regulations, requirements or directions may be liable to prosecution.

8. **In view of the latest development of COVID-19, the LCSD may revised the above anti-epidemic measures. In addition, the LCSD may adjust the scale and opening hours of the HKFS, tighten the admission requirements for members of the public, or even cancel the whole event.**
