Type of Events: AM – Athletic meets
O – Other Events (such as non-designated events, etc.)

* The turf pitch of the Venue was closed for turf maintenance and improvement works, and hence there was a decrease in the number of booked or used days during that period.

23. Regular Maintenance of the Venue

A Service Provider shall note that regular maintenance of the whole or part of the turf pitch of the Venue will be carried out about two (2) times annually and for about three (3) to ten (10) weeks on each occasion. During such maintenance period, the affected turf pitch will be closed and no activities (including but not limited to athletic meets, soccer training, etc.) will be carried out. Irrespective of whether or not the light refreshment business of the successful Service Provider might be affected by such closure, the Government shall not be liable to pay any compensation whatsoever to the successful Service Provider and shall not be required to extend the Term or to abate the Monthly Permit Fee or any part thereof.

24. Provision of Services within the Venue

Services Providers shall note the Government Representative reserves the right to provide or allow any Person or permit holder to provide drinking fountain, catering and/or vending machine services within any other areas of the Venue during the Term. The Permit Holder is therefore not entitled to claim for abatement of Monthly Permit Fee or any part thereof on the ground that the Light Refreshment Business is affected by such arrangement.

25. Successful Service Provider's Performance Monitoring

A service provider is advised that should it be awarded the Contract, its performance under the Contract will be monitored and shall be taken into account in the evaluation by the Government of quotations/tenders submitted by it for any goods or services procured by the Government in the

future. An offer or quotation submitted by a Service Provider which has been in breach of any of its statutory obligations or contractual obligations under any catering outlet contracts with the Government (whether current or past) may not be considered having regard, including but not limited to, the seriousness and the number of breaches and its or their relevancy to the offer or quotation submitted. The decision of the Government whether or not to consider the Quotation submitted by a Service Provider under the circumstances described in this provision shall be final.

26. Offering Gratuities

The Service Provider shall not and shall ensure that its agents and employees shall not offer or give any advantage as defined in the Prevention of Bribery Ordinance (Cap. 201) to any agent or employee of the Government. Any breach of or non-compliance with this Clause by the Service Provider shall, without affecting the Service Provider's liability for such breach or non-compliance, invalidate its quotation, and if the Contract has been awarded to the Service Provider without knowing the breach, the Government shall be entitled to immediately terminate the Contract and claim for all losses and costs incurred from the Service Provider.

27. Consent to Disclosure

- (a) The Government may disclose, whenever it considers appropriate, to the public or upon request by any member of the public (which may have been a Service Provider) (written or otherwise) without any further reference to or consent from the successful Service Provider or any other Service Provider, the Quotation Documents, particulars (including the nature and quantity) of the Light Refreshment Business, the date of the award of the Contract, the name and address of the successful Service Provider and the total monies paid by the Permit Holder for the entire Term.
- (b) Nothing in Clause 27(a) above shall prejudice the Government's power to disclose whenever it considers appropriate information of any nature whatsoever (whether or not specified in Clause 27(a) above) if the disclosure is made under any one of the following circumstances (even if disclosure may also mean the information will at the same time, or subsequently, become public information):
 - (i) the disclosure of any information to any public officer or public

body, as defined in the Interpretation and General Clauses Ordinance (Cap. 1) or any other person employed, used or engaged by the Government (including agents, advisers, Permit Holders and consultants);

- (ii) the disclosure of any information already known to the recipient;
- (iii) the disclosure of any information which is public knowledge;
- (iv) the disclosure of any information in circumstances where such disclosure is required pursuant to any law of Hong Kong, or an order of a court of Hong Kong or a court or a tribunal with competent jurisdiction; or
- (v) without prejudice to the power of the Government under Clause 27(a) above, to the extent the information relates to a Service Provider, with the prior written consent of that Service Provider.

28. Cancellation of the Invitation to Quotation

Without prejudice to the Government's right to cancel the Invitation to Quotation, where there are changes of requirement after the Quotation Closing Date for operational or whatever reasons, the Government is not bound to accept any conforming quotation and reserves the right to cancel the Invitation to Quotation.

29. Cost of Quotation

A Service Provider shall submit its quotation proposal at its own cost and expense. Neither the Government nor the Government Representative shall be liable for any costs and expenses whatsoever incurred by the Service Provider in connection with the preparation or submission of its quotation, including all costs and expenses relating to:

- (a) communication or negotiations with the Government Representative;
or
- (b) attending briefings, document inspections, site visits or surveys made by the Service Provider,

whether before, on or after the Quotation Closing Date.

30. Service Provider's Commitment

The entire Quotation, any subsequent clarification, and permitted submissions from a Service Provider must be submitted in writing. Each of them is the offer, commitment and representation of the Service Provider and will, if accepted by the Government Representative, be incorporated into and made part of the Contract in such manner as the Government Representative considers appropriate and become binding on the Service Provider.

31. Complaint about Quotation Process or Contract Award

The quotation process is subject to internal monitoring to ensure that the Contract is awarded properly and fairly. Any Service Provider who feels that its offer has not been fairly evaluated may write to the Director of Leisure and Cultural Services who will personally examine the complaint and refer it to the relevant quotation boards for consideration if it relates to the quotation system or procedures followed. Service Provider shall lodge the complaint before disposal of documents of unsuccessful Service Providers, which shall be within three (3) months after the award of Contract.

32. Application for Appropriate Food Licences

- (a) A Service Provider shall note that it is the Permit Holder's sole responsibility to approach the relevant authorities for obtaining all licences, permits and/or certificates required by law for operation of the Light Refreshment Business at the Permit Area. The Permit Holder shall note that it will be unlawful for it to sell any commodity of which any licence, permit and/or certificate is so required without first obtaining such licence, permit and/or certificate.
- (b) The Permit Holder shall note that since it will necessarily take time for the relevant authorities to consider and decide on an application for a licence, permit and/or certificate, the Permit Holder is therefore not entitled to claim for abatement of the Monthly Permit Fee on the

grounds that it cannot operate the Light Refreshment Business pending the issue of the relevant licences, permits and/or certificates. Neither the Government nor the Government Representative shall be held responsible in the event of the Permit Holder's failure or inability for any reason to obtain or renew any such licences, permits and certificates. Nothing contained in the Quotation Documents or in the Contract shall be construed to fetter the discretion of any public officer or authority as the licensing authority.

- (c) For licensing requirements regulated by the Director of Food and Environmental Hygiene, the Permit Holder should visit the following Food and Environmental Hygiene Department's website for more information -

http://www.fehd.gov.hk/english/licensing/Guide_on_Types_of_Licences_Required.html

33. Negotiation

The Government reserves the right to negotiate with any Service Provider on the terms of the Service Provider's Quotation and conditions of the Contract.

34. Quotation Addendum

The Government may issue addendum to the terms and conditions of the Quotation Documents. Service Provider may be asked to confirm compliance with the terms and conditions issued under the Quotation Documents or those issued under any addendum thereto.

35. Government Discretion

- (v) the Service Provider has been convicted by the final judgement in respect of serious crimes or other serious offences;

- (viii) the Service Provider has made any restrictions or limitations which seek to limit or avoid the responsibility of the Service Provider in contract, tort or otherwise for failing to exercise the skill and care required by the Contract, or reasonably expected of the Service Provider/Permit Holder under the Contract in the Quotation or in any subsequent submission by the Service Provider or communication between the Government and the Service Provider since submission of the Quotation.

The grounds specified in Clauses 35(a)(i) to 35(a)(viii) are separate and independent, and shall not be limited by reference to or inference from the other of them.

- (d) If the Service Provider fails to comply with the request made by the Government pursuant to Clause 35(c) above within such time as required by the Government or has otherwise submitted false, inaccurate or incomplete information, the Government may disqualify the Service Provider pursuant to Clause 35(a)(ii) above.
- (e) In providing the information required under Clauses 35(b) and 35(c) above, the Service Provider may show cause to satisfy the Government that the petition, proceedings, conviction record, infringement claim, breach or performance deficiency, or professional misconduct, as the case may be, does not cast doubt on the fitness, propriety or capability of the Service Provider to perform the Contract to be awarded in this Invitation to Quotation.

Each Service Provider should inform the Government Representative in writing immediately of any factor which might affect its ability to meet any requirements of the Quotation Documents. The Government Representative reserves the right not to consider a Service Provider's Quotation further if the Service Provider's continued ability to meet such requirements is in doubt.

A Quotation once submitted will become the property of the Government. The Government shall have the right to do any of the acts restricted by copyright under sections 22 to 29 of the Copyright Ordinance (Cap. 528) in respect of all written materials submitted by the Service Provider through the Quotation exercise for purposes including but not limited to Quotation evaluation, contract management, the disclosure made pursuant to Clause 27 of the Terms of Quotation and all other purposes incidental thereto.

- (b) The Permit Holder shall pay to the Government the Monthly Permit Fee in the following manner –
 - (i) The first payment of the Monthly Permit Fee shall be made by the Permit Holder within fourteen (14) days from the date of the Conditional Acceptance of Quotation (or such later date as the Government Representative may allow) as specified in Clause 15(b) of the Terms of Quotation.

Such interest shall be calculated and payable from the day on which such payment falls due.

7. Abatement

If the Government Representative shall require a closure of the Permit Area or a suspension of the Permit Holder's Light Refreshment Business under Clause 20(b) for a continuous period of more than seven (7) days or a deferment of the commencement of the Term under Clause 9 hereof, the Monthly Permit Fee of Light Refreshment Kiosk and/ or Vending Machines involved will abate, notwithstanding Clause 6 hereof, for the total period of such closure, suspension or deferment on a pro rata basis.

8. Security Deposit

- (a) The Permit Holder shall, within fourteen (14) days from the date of the Conditional Acceptance of Quotation, deposit with the Government Representative in cash, cheque or cashier's order or in the form of bank guarantee to be issued by a bank with a valid banking licence issued under the provisions of the Banking Ordinance (Cap. 155), a sum equivalent to two (2) times the quoted Monthly Permit Fee as specified in the First Schedule as security for the due and proper performance of the Contract.
- (b) The Security Deposit, if in the form of cash, cheque and cashier's order shall be retained by the Government Representative, or if in the form of a bank guarantee, shall remain in force, in either case,

from the date of commencement of the Term until the date specified in (i) or (ii) below, whichever is applicable -

- (i) the date falling three (3) months after the expiry or early termination of the Term; or
- (ii) upon early termination or expiry of the Term, there remain any outstanding obligations and liabilities of the Permit Holder under the Contract which have not been duly and fully carried out, completed and discharged in accordance with the Contract, or there is any outstanding right or claim of the Government or the Government Representative, the date on which all such obligations, liabilities and rights and claims have actually been carried out, completed and discharged (as confirmed by the Government Representative in writing), or failing such confirmation the date shall not in any event be later than thirty-six (36) months after expiry or early termination of the Term.

The aforesaid period (depending on whichever is applicable) is hereinafter referred to as the “**Guarantee Period**”.

- (c) Only upon the expiry of the Guarantee Period, will the Security Deposit (if in the form of cash, cheque or cashier's order and if any is remaining) be refunded to the Permit Holder without interest; or, if in the form of a bank guarantee, be discharged or released.
- (d) The Government Representative shall have the right to deduct from time to time from the Security Deposit in cash, cheque or cashier's order or call on the bank guarantee (irrespective of whether or not a demand for payment has been made against the Permit Holder) any amount due or payable by the Permit Holder to the Government Representative under the Contract (regardless of whether the amount is payable under any indemnity or is payable as a debt) but which remains outstanding, in such order as the Government Representative in its absolute discretion deems fit. The Security Deposit (whether in cash, cheque or cashier's order or in the form of the bank guarantee) may be deducted or called on, without the Government Representative first having recourse to any other security or rights or taking any other steps or proceedings against the Permit Holder or any other person, or may be enforced for any balance due after resorting to any one or more of other means of obtaining payment or discharge of the monies, obligations and

liabilities owing by the Permit Holder to the Government Representative.

- (e) If any deduction is made by the Government Representative from the Security Deposit in cash, cheque or cashier's order or a call is made on the bank guarantee during the Guarantee Period, the Permit Holder shall, within fourteen (14) days on a demand in writing by the Government Representative, deposit a further sum or reinstate the level or extent of the bank guarantee or procure the issuance of a fresh bank guarantee in a sum equal to the amount so deducted or so called, which shall be added to the residue of and form part of the Security Deposit and, where applicable, the additional security amount required under Clause 8(a).
- (f) In the event that this Contract is terminated early under Clause 42(a) of Conditions of Contract, notwithstanding anything herein to the contrary, the Security Deposit will be wholly forfeited by the Government upon such termination without prejudice to the Government Representative's claims and demands under the Contract which cannot be satisfied by the Security Deposit.

Notwithstanding the above the Government shall have the sole right to determine whether the Permit Area or any part thereof has become unfit for use.

- (ii) For the avoidance of doubt, it is hereby expressly agreed and declared that notwithstanding anything contained herein, the Government shall not in any circumstances whatsoever be required or otherwise obliged to repair or reinstate the Permit Area or any part thereof rendered unfit for use by any cause whatsoever if the Government shall be of the opinion that it is not practicable or reasonable to do so.

43. Effect of Termination

- (a) Upon termination of the Contract –
 - (i) the Permit Holder shall immediately deliver up vacant possession of the Permit Area including the appliances, furniture, fixtures and fittings provided by the Government Representative or the Government therein in good repair (fair wear and tear excepted) and in clean and hygienic condition. The Government Representative reserves the right to take over or to dispose of in whatsoever manner it deems appropriate and without any liability and compensation whether towards the Permit Holder or any other party any fixtures and fittings so installed or erected and any chattels not collected or removed by the Permit Holder upon the termination of the Contract. All costs, losses, damages or expenses incurred by the Government as a direct or indirect result of the breach of the Contract under this Clause shall be recoverable as a debt due from the Permit Holder.
- (v) if the Contract is terminated by the Government (other than pursuant to Clause 42(b) and Clause 42(f)(i) and the Government makes other arrangements for the operation of the Light Refreshment Business, the Government may recover from the

Permit Holder:

- (1) any amount short of the total Monthly Permit Fee (which would have been payable by the Permit Holder had the Contract not been terminated) suffered by the Government in engaging another Permit Holder to conduct the light refreshment business and all costs and expenses incurred in making the arrangements for the same including conducting tendering/quotation exercise to award the same contract under which a person is granted a permit to conduct the light refreshment business; and

All warranties and indemnities given by the Permit Holder under this Contract shall survive the expiration or early termination of this Contract.
- (c) In the event of termination or expiry of the Contract for whatever reason whether under any of the applicable provisions set out in this Clause or otherwise, neither the Government nor the Government Representative shall be responsible for any claim, legal proceeding, liability, loss (including any direct or indirect loss, any loss of revenue, profit, business, contract or anticipated saving), damages (including any direct, special, indirect or consequential damages of whatsoever nature) or any cost or expense, suffered or incurred by the Permit Holder arising out of or in relation to the termination or expiry.

- (d) Since it will necessarily take time for the relevant authorities to consider and decide on an application for the requisite licence, permit

and/or certificate, the Permit Holder agrees and accepts that there will be no abatement or reduction of the Monthly Permit Fee on the grounds that the Permit Holder cannot conduct its Light Refreshment Business pending the consideration of its applications and issuance or renewal of the relevant licences, permits and/or certificates. For avoidance of doubt, the non-issuance of a relevant licence, permit and/or certificate by a relevant authority shall not constitute any grounds for the abatement of the Monthly Permit Fee.
